Elise, good morning! Thank you for reaching out. We had a meeting late yesterday, and I believe we've now finalized our plan for the presentation. It will be partially in-person and partially remote. We will also have a powerpoint. If possible, I would like to wait until late Tuesday to finalize the powerpoint so that we can include the most up-to-date numbers about the program. Including questions from the Commission, we estimate a 45-minute presentation. If we need to make it longer or shorter, we are happy to do so. Here is a general overview:

1. Introduction and brief overview- Chris Koon (in-person)
2. Program structure and status- Malcolm Clark and Ryan Mullen, Guidehouse (remote)
3. Program outreach- Chris Winston and Renaye Long, SC Housing (likely in-person)
4. Provider outreach- Cristina Freeman of Dominion (remote), Nancy Loehr of Duke (remote), Chris Koon (in-person)
5. Closing remarks/questions- Chris Koon (remote)

We hope this is acceptable, and we are happy to adjust based on any feedback. Can you have someone from the Commission contact me about its preferred platform for the remote presenters to use?

Thank you for all that you do.

Best,

Chris

Good afternoon, Elise! Thank you for reaching out. If it suits staff and the Commission, I would be happy to provide a report on Wednesday, June 30. The Advisory Panel's next meeting is tomorrow, and after that, I will confer with the other utility stakeholders who were nominated. We've been working as a team, and I will solicit their thoughts on the report. I will circle back to you with a plan for the presentation.

Thanks for this and for all that you do for SC.

Best,
 Chris
